Elsie

STATUE FOR ELSIE INGLIS

In the FOOTSTEPS OF ELSIE

Taking part in our Schools Competition is not just about finding winners. Let's have some fun too!

Elsie never did SIT STILL, despite being told to go home and sit still.

Can you ask your class to follow in the footsteps of Elsie? Maybe the whole school can take part? Simply ask every pupil to draw outline of their foot and write down a couple of words that sum up what they think were Elsie's most inspirational or memorable qualities.

Using a roll of wallpaper (or similar) glue everyone's shoe message on it - and call your wall mural – "Class x in The Footsteps of Elsie".

Don't forget to check out the Elsie Word Cloud as well as another classroom activity.

Now it's your turn, draw outline of your foot and write down a couple of words that sum up what they think were Elsie's most inspirational or memorable qualities.
